

Accessories

Variocon

DESCRIPTION	ARTICLE NO.
pH measuring amplifier	3100001
Redox measuring amplifier	3100002
Chlorine measuring amplifier	3100003
Industrial measuring fitting for pH/Redox	3101001
Welding socket straight 40 mm made of Cr-steel	3101201
Welding socket inclined 40 mm made of Cr-steel	3101202
Welding socket straight 40 mm made of PE	3101203
Welding socket straight 40 mm made of PP	3101204
Flow adapter PVC	3102001
Flow adapter PVC, reinforced version	3103001
Immersion adapter PVC	3104001
Wet tray for fitting 3104001	3104201
Wall-mounted housing WA1 for one Variocon measuring amplifier , with transparent transparent cover. Housing material: plastic, RAL 7035 Protection class: IP 65, dimensions: 193 x 160 x 131 mm (WxHxD)	3100230
Wall-mounted housing WA2 for two Variocon measuring amplifiers , with transparent transparent cover. Housing material: plastic, RAL 7035 Protection class: IP 65, dimensions: 284 x 216 x 143 mm (WxHxD)	3100231
Wall-mounted housing WA3 for three Variocon measuring amplifiers , with transparent transparent cover. Housing material: plastic, RAL 7035 Protection class: IP 65, dimensions: 390 x 318 x 160 mm (WxHxD)	3100232
pH electrode 120 mm PG 13.5 mm, 1 bar	3100201
pH electrode 120 mm PG 13.5 mm, 6 bar	3100202
pH industrial electrode 225 mm PG 13.5 mm max. 6 bar, temperature -10°C...+130°C (with solid gel inner electrolyte)	3100203
Redox electrode 120 mm PG 13.5 mm, 1 bar	3100204
Potentiostatic chlorine electrode PG 13.5 mm length 85 mm	3100205
pH buffer solution pH4, 200ml/bottle	3100210
pH buffer solution pH7, 200ml/bottle	3100211
pH buffer solution pH10, 200ml/bottle	3100213
Diaphragm cleaner 200 ml	3100214

Accessories

Variocon

DESCRIPTION	ARTICLE NO.
KCL potassium chloride solution 200 ml	3100216
Redox calibration solution , low 125 mV, 200 ml	3100217
Redox calibration solution , high 470 mV, 200 ml	3100218
Electrode connector	3100220
DIN angle plug , for VARIOCON 2	3100221
BNC connector , for VARIOCON 2010	3100222
BNC angle connector , for VARIOCON 2010	3100227
Measuring cable , coaxial with single shielding, without plug (cable length up to 10 m) Price per m	3100223
Measuring cable , triaxial with double shielding, without plug (cable length from 20 m) Price per m	3100224
2 m pre-assembled coaxial cable , with electrode and BNC connector (3100220, 3100222)	3100241
5 m pre-assembled coaxial cable , with electrode and BNC connector (3100220, 3100222)	3100242
10 m pre-assembled coaxial cable , with electrode and BNC connector (3100220, 3100222)	3100225
2 m pre-assembled coaxial cable , with electrode and BNC angled connector (3100220, 3100227)	3100243
5 m pre-assembled coaxial cable , with electrode and BNC angled connector (3100220, 3100227)	3100244
10 m pre-assembled coaxial cable , with electrode and BNC angled connector (3100220, 3100227)	3100245
20 m pre-assembled triaxial cable , with electrode and BNC connector (3100220, 3100222)	3100226
30 m pre-assembled triaxial cable , with electrode and BNC connector (3100220, 3100222)	3100235
20 m pre-assembled triaxial cable , with electrode and BNC angle plug (3100220, 3100227)	3100236
30 m pre-assembled triaxial cable , with electrode and BNC angle plug (3100220, 3100227)	3100237
